

Sea Breeze Solar Spot Lights

A classy addition to your beach styled landscape decor, our Sea breeze Solar Spot light, which is shaped like an ornate conch shell, is sure to catch the eye of all of your visitors and highlight your landscaping each and every night. This rare spot light, offered at a cost effective price, is maintenance free and only requires sunshine to charge its batteries during the day so that it can operate at night. Aim this unique light at the bases of palm trees, at boulders, or at any other favorite landscape feature.

ELA-N034

ELA-N033
